

Discussion Questions for Senior Daughters' Sat. Morning Retreat on
June 24, 9:30 am - 11:30 am via Zoom

Discussion:

1. Recall a season or moment that you would consider to be a highpoint of your spiritual life. What made it so special? Pray for a rekindling.
2. Consider your sense of calling and/or your understanding of your spiritual gifts. What does it look like for you to minister with greater boldness? What challenges and opposition might you face?
3. What steps can be taken to guard the "good treasure" of the message of the gospel of grace in Jesus Christ in your context, chapter and church? In what ways have you seen us become sidetracked from this?
4. What vision do you have for what power, love and self-discipline can look like in your life, chapter, and church?
