SUMMARY OF PROVINCE IV MEMBERSHIP INFORMATION (Sept 19, 2023)

This information is based upon the reports received from the National Office Sept. 19, 2023. National's lists are only as accurate as the information they are given, and many times, members move or pass away or become inactive and no one at National knows it. Please encourage your chapter presidents to keep up to date records and inform the national office of changes. I did not include Episcopal, Anglican, Catholic, or Lutheran designations because the report from National does not indicate that.

Diocesan Assembly Presidents, Membership Chairs, and Chapter Officers may access up to date membership information by going to doknational.org and signing in with your profile information. Click on *Resources*, then down to *Officers Corner*, click the yellow sign in button and sign in with the same credentials as in your profile. You may see your Diocesan Assembly or Chapter membership list complete with names, addresses, dues payment information, etc. This will be very helpful, especially in the case of large assemblies and chapters where you don't know everyone.

National removed from the membership rolls any names that have not paid dues since 2020. Assembly Presidents, please be sure your chapter presidents know there is money available for anyone who needs financial help with dues—if the chapter cannot help, the assembly or the province can. We do not want to lose anyone because of financial need.

If a chapter has disbanded, please use the Disbandment Form from National and encourage all members to send in a Transition form stating whether they are now in another chapter or have become a Daughter at Large. If there are less than 3 sisters in a chapter, and it has been determined that it will not grow or the church is no longer interested in having a chapter, the assembly president should follow the steps to disband the chapter (forms and instructions are on line).

It is very important for every diocesan assembly to have a Membership Chair. If you have one, please send me her name. If you do not have one, please appoint someone to fill that position as soon as possible and let me know.

Also please be sure that you or your Membership Chair stays in touch with your Daughters at Large and Lifetime members. Yours may be their only DOK contact and it can mean very much to both of you.
