

## **Lord, What Would You Have Me do?**

### **The National Enrichment Program**

It is our vision to encourage, enrich, equip, and empower all Daughters to do the work that God has called them to do. Our mission is to promote the formation of strong, spirit-filled women by identifying and developing resources Daughters can use to fulfill their vows of prayer and service.

The New Testament tells us that we have God given gifts that equip us to help transform this world. Romans 12:6-8 and I Corinthians 12: 1-30 make it clear that a variety of gifts are given. "What would You have me do?" opens the door of empowerment that leads into service and the sharing of our gifts.

Step out in anticipation and excitement. God has chosen you! Even if you feel inadequate, God is not. He takes you by the hand and leads you. He has prepared the way for you. He has prepared the National Enrichment Program to serve you with leadership support, mentoring and strengthening community. He has guided our Book Club, a safe space to discuss books you love that support your faith journey.
